PNC Erievew Capital Invests in Case IQ

PNC Erievew Capital recently completed a growth investment in Case IQ (the “Company”), a portfolio company of Resurgens Technology Partners, to support the platform’s acquisition of Lextegrity.

About Case IQ

Case IQ is a leading provider of case management software for investigating ethics and compliance, human resources, fraud, corporate security incidents, as well as other use cases. With more than 1,100 customers on Case IQ’s platform, the Company serves enterprise, mid-market, and SMB sized organizations worldwide. The Company was founded in 1999, has a central office in Ottawa, Ontario, and employs a remote-first workforce across the US, Canada, Europe, and APAC.

About Lextegrity

Lextegrity provides innovative enterprise data analytics and automation technology for compliance and audit professionals at leading global companies. This first-of-its-kind software was created by former in-house compliance and audit professionals who have operationalized compliance and audit programs globally. Organizations use Lextegrity to prevent and detect risks related to fraud, corruption, sanctions, kickbacks, and conflicts of interest. Lextegrity’s software unifies compliance systems and manages risk across the spend lifecycle for an end-to-end view in real-time.
