Monthly Service Charge.....	\$7.00

**No Monthly Service Charge** if you meet any one of the following:

When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if that account owner is not a signer on the linked account. Also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes, the existence of the account and information to determine if the criteria for the fee waiver and/or relationship benefits have been met, such as: the balance of the account and the number and total dollar amount of direct deposits received per month.

**FOOTNOTES:**

- 1 *A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.*
- 2 *The 62 age waiver will only be applied if the date of birth for the Primary or Secondary owner(s) on the account meets the age requirement. The date of birth for a fiduciary (i.e. Rep Payee, Trustee) is not eligible for the waiver. If no date of birth is on file, waiver eligibility is based on the date of account opening.*
- 3 *The employee monthly service charge waiver is only available during the time you are employed at PNC. When your PNC employment ends, you will need to meet other conditions applicable at that time, if there are any, in order to have your monthly service charge waived. Contractors, inactive employees receiving a W2, or PNC employees whose residence or primary workplace is outside of the United States of America are not eligible for the employee monthly service charge waiver. For customers who become PNC employees after their account is opened, it may take up to one additional statement period for your new employee monthly service charge waiver to take effect.*
- 4 *PNC Bank charges may apply for use of another financial institution's or ATM operator's ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.*
- 5 *Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from a PNC checking, savings or money market are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of \$50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.*
- 6 *There may be fees for certain optional services available through PNC Online Banking and Bill Pay.*
